DS-I Africa New FOAs

DS-I Africa New FOAs Published

The two new DS-I Africa FOAs (RFA-RM-22-022 and RFA-RM-22-023) have been published! See links below:

https://grants.nih.gov/grants/guide/rfa-files/RFA-RM-22-022.html

https://grants.nih.gov/grants/guide/rfa-files/RFA-RM-22-023.html

https://grants.nih.gov/grants/guide/notice-files/NOT-RM-22-015.html

Application deadline – Sept 2022

*new Advancing Imaging Through Collaborative Projects

The Chan Zuckerberg Initiative invites applications for two-year grants to support collaborative projects aimed at accelerating the dissemination and adoption of imaging technologies, methods, platforms, or training resources. Find more information here.

Application deadline: September 8, 2022, 5pm Pacific Time

Data Insights Cycle 2

The Chan Zuckerberg Initiative invites applications for the second of three cycles for 18-month projects focused on advancing tools and resources that make it possible to gain greater insights into health and disease from single-cell biology datasets. Find more information here

Application deadline: August 25, 2022, 5pm Pacific Time

Dynamic Imaging

The Chan Zuckerberg Initiative invites applications for challenge grants in the field of Dynamic Imaging. This Request for Applications (RFA) aims to advance technology directed at real-time visualization of biological processes at the level of cells and molecules. Find more information here

Application deadline: August 23, 2022, 5pm Pacific Time

Upcoming Deadlines for Fogarty Funding Opportunities

- Global Infectious Disease Research Training
  Application deadline: August 3, 2022

- Upcoming deadlines for all Fogarty funding opportunities

Upcoming deadlines for funding opportunities in which Fogarty is a funding partner

- Implementation Research to Reduce Noncommunicable Disease (NCD) Burden in Low- and Middle-Income Countries (LMICs) and Tribal Nations During Critical Life Stages and Key Transition Periods (R01 Clinical Trial Optional) (PAR-22-132)
  Application Receipt Date(s): August 10, 2022

- Fogarty HIV Research Training Program. For more info, click here .
  Application deadline – August 22, 2022

- See all Fogarty funding collaborations

NIH funding opportunities for which foreign organizations and/or foreign components of U.S. organizations may apply.

- NHLBI TOPMed: Omics Phenotypes of Heart, Lung, and Blood Disorders (X01 - Clinical Trial Not Allowed) (PAR-22-194)
  Application Receipt Date(s): Multiple dates, see announcement.

- Transformative Research on the Basic Mechanisms of Polysubstance use in Addiction (R01 - Clinical Trial Not Allowed) (RFA-DA-23-015)
  Application Receipt Date(s): November 14, 2022

General NIH notices that may be of interest to global health researchers:

- Notice of Pre-Application Webinar and Frequently Asked Questions (FAQs) for PAR-20-220 "Institutional Network Award for Promoting Kidney, Urologic, and Hematologic Research Training" U2C/TL1 - Clinical Trial Not Allowed)

- Notice of Informational Webinar for BRAIN Initiative Connectivity across Scales (BRAIN CONNECTS) Funding Opportunity Announcements

- [Needs Assessment Program for National Institutes of Health (NIH) Small Business Innovation Research (SBIR) and Small Business Technology Transfer (STTR) Awardees](#)

Notice of changes to funding opportunities that may be of interest to global health researchers:

- [Notice of Change to NOT-NS-21-014 "Notice of Special Interest (NOSI): Availability of Administrative Supplements for BRAIN Initiative Awardees to Support Resource Dissemination"](#) (NOT-NS-22-106).

NIH Notices of Special Interest (NOSIs) that may be of interest to global health researchers:

- [High Priority Areas in Integrative Neuroscience Branch in the Division of Neuroscience and Behavior](#) (NOT-DA-22-058)
  Expiration Date: January 8, 2026

- [Encourage Eligible NIH HEAL Initiative Awardees to Apply for Administrative Supplements to Support Career Enhancement Related to Clinical Research on Pain](#) (NOT-NS-22-087)
  Expiration Date: February 16, 2024

- [Developing Academic Research Enhancement Award (AREA) and Research Enhancement Award Program (REAP) for Institutions with an emphasis on Down syndrome research (R15 Clinical Trial Not Allowed)](#) (NOT-OD-22-136)
  Expiration Date: April 11, 2025

- [Innovative Technologies for Research on Climate Change and Human Health Small Business Technology Transfer (R41/R42 Clinical Trial Optional)](#) (NOT-ES-22-009)
  Expiration Date: April 6, 2023

- [Innovative Technologies for Research on Climate Change and Human Health (R43/R44 Small Business Innovation Research (R43/R44 Clinical Trial Optional)](#) (NOT-ES-22-010)
  Expiration Date: April 6, 2023

Non-NIH funding opportunities that may be of interest to global health researchers:

- The Wellcome Data Prize in mental health will support collaborative approaches to research into anxiety and depression in young people. Teams in the UK and South Africa will explore existing data to find new insights and build digital tools that enable future research. For more info, [click here](#)

  Application deadline – 8 Aug 2022

Job Opportunities

RCSI - Global Health Chair in School of Population Health
